39th ANNUAL BLUE JAY CHRISTMAS PARADE DECEMBER 1st

(BLUE JAY, CA, November 27, 2018) The 39th Annual Blue Jay Christmas Parade is scheduled for Saturday, December 1st in Blue Jay, California, just one mile West of Lake Arrowhead in the San Bernardino Mountains. The parade's Grand Marshall this year will be actor/producer/director and part-time local resident, David Arquette, who will ride with his family in a horse-drawn carriage sponsored by local business, Country Furniture.

Rumored to be the shortest parade route in the Guinness Book of World Records, the parade kicks off on Highway 189 in Agua Fria and ends at North Bay Road. It begins at 2pm with almost 50 groups representing the local mountain communities including marching bands, fire and police, local charitable organizations, many of the businesses from Blue Jay and nearby towns, and of course, Santa Claus!

Sponsoring this year's parade are Country Furniture, Coldwell Banker Sky Ridge Realty, Blue Jay Union 76, Lake Arrowhead Country Club, Arrowhead Lake Association, Wheeler Steffen/Sotheby's, and Logan Construction.

Highway 189 is scheduled to be closed to traffic from Daley Canyon Road to North Bay Road from 2pm until 3pm.

Although a little dusting of snow or rain would not impede the spirit of the community to have their parade, if the weather produces a heavy storm or too much ice on the road that could make the parade route dangerous, the parade could be called off and would not be rescheduled.

Please visit www.BlueJayParade.com for news, information and sponsors!
